# INTRODUCTION

**A**tlegang Business Consulting is a 100% black owned BBBEE Advisory Firm established in 2013 as a voluntary, autonomous and politically independent business for the sole purpose of assisting entrepreneurs and business managers in growing their businesses and achieving their BBBEE targets. They will achieve this by confidently knowing that their BBBEE Consulting and Advisory are being taken care of by a professional, effective and accessible company.

Black Economic Empowerment is not simply a moral imperative to redress the imbalances of the past, it is a pragmatic growth strategy to realize the country's full potential by bringing the black majority into the economic mainstream. Through this value-based view of BEE, we can help your business carry out a successful transformation strategy while achieving your desired BEE targets.

## YOUR PARTNER IN ACHIEVING BEE SUCCESS

**O**ur team of specialist consultants are well-versed in helping with the integration of BEE and social responsibility into your business strategy. We provide BEE Solutions tailored to you, from the initial stage of understanding BEE to building / improving a BEE strategy and onto the implementation and monitoring of the strategy.

There is no single approach to BEE, Companies must select the most appropriate approach to suit their needs and their relationship with the beneficiaries that they select for empowerment, some of the most important aspects to consider are as follows:

- Improving B-BBEE rating
  - Reducing Tax
  - Developing new routes to supply
  - Improving business alignment between the beneficiary and the sponsoring organization
  - Improving beneficiary performance
  - Resolving serious quality issues
  - Developing a product or service not currently available in the marketplace
  - Generating competition for a high price product or service dominating the marketplace.
